

THE INVISIBLE ENGINE

How Data Shapes Our Lives and the Future We Build

KYI KYI SAN

ASPIRING DATA SCIENTIST

PURPOSE AND IMPACT

The "Why"

What moved me
from consumer to creator

The Foundation

Choices and
experiences that shaped
my direction

The Vision

The impact I want to
create through data

WHY DATA SCIENCE?

MY CORE BELIEF

- Seeing patterns where others saw chaos
- Logic meets human stories with purpose
- Evidence that creates real impact

FROM THEORY TO INSIGHT

- ***Academic Foundation***

Programming and Systems courses shaped how I approach problems

- ***Applied Practice***

Built streamlined inventory tracking for a small business

- ***Personal Insight***

Tracking my own finances taught me how data tells human stories

CAREER MILESTONES

In 1 Year

BS degree with a capstone applying real-world data analytics to solve practical challenges.

In 3 Years

Junior Data Scientist, optimizing user experience and system intelligence.

In 5 Years

Lead data strategy to guide ethical, high-impact decisions at scale.

*The goal is not just to predict the future,
but to build one that matters.*
