

WHY I WANT TO BECOME A DOCTOR

and why medicine isn't enough

My Aquarium Hobby

Cholinergic Urticaria

Yet Something
Felt “missing”

Social Determinants of Health

What I learned Interning at NYP-Q

┌ NewYork-
└ Presbyterian
Queens Hospital

in association with

CHINA AIDS FUND, INC.

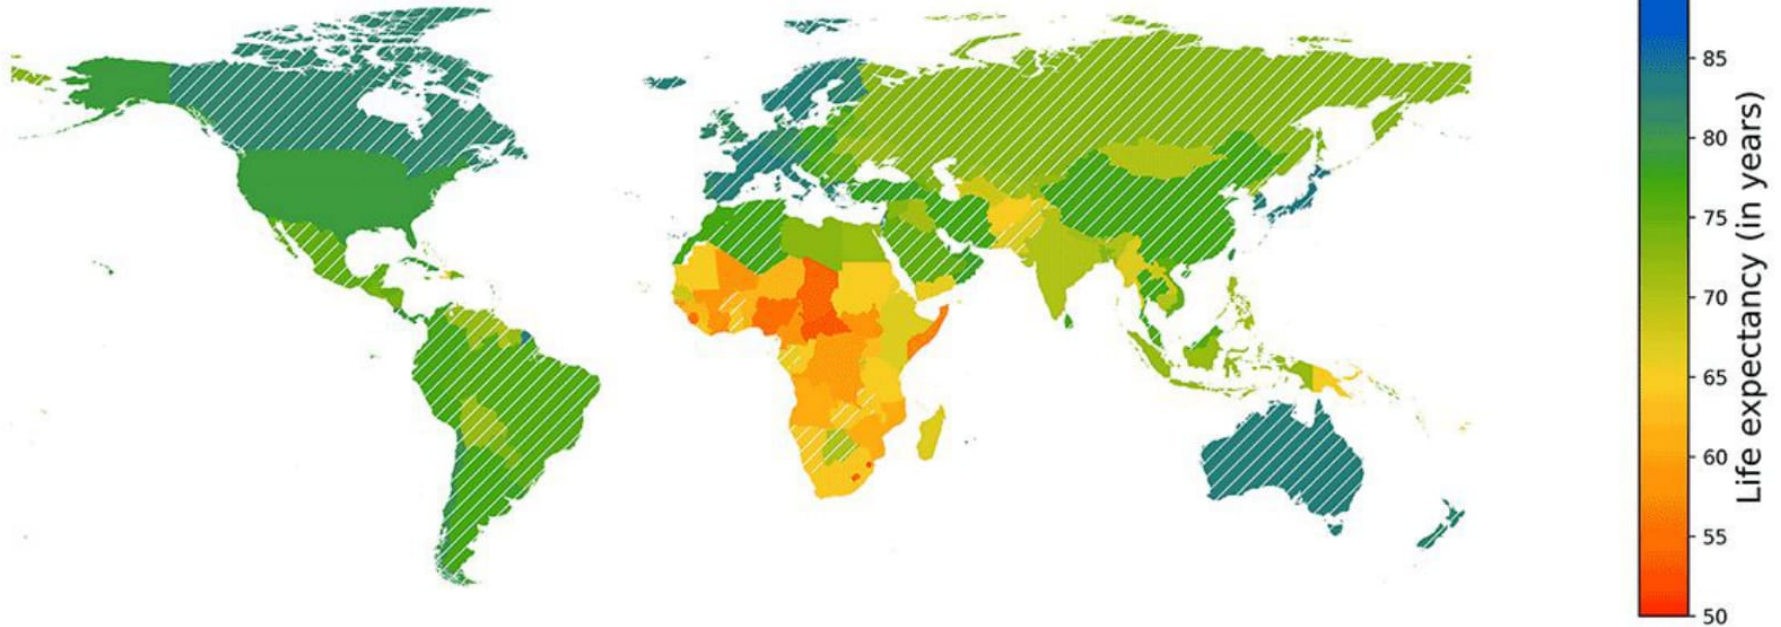

The Doctor I wish to become

“Closing the Gap”

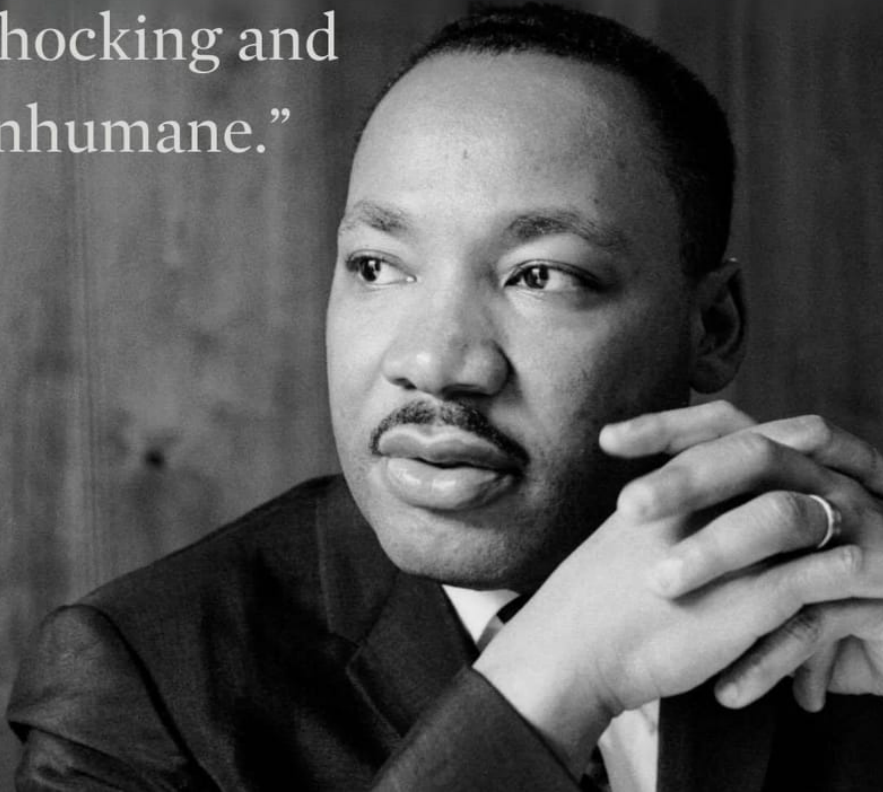

A

Life expectancy

“Of all the forms of inequality,
injustice in health is the most
shocking and
inhumane.”

A Battle No One Can Fight Alone
