

The background of the slide is white and decorated with various blue geometric shapes. These include solid circles of different sizes, some with concentric circles, and some with a dotted pattern. There are also larger circles filled with a fine grid of dots. The shapes are scattered around the central text, with a higher concentration in the corners.

# 03

## Leadership

# Leadership

- Cross Country and Track Team Captain
- Origami For Nonprofit Club founder and co-president

# 04

## Why PA?

# Why Physician Assistant?

1. I couldn't choose my favorite hospital unit because they all held special memories to me → Flexibility
2. The PA in Mount Sinai stood out to me because of their enthusiasm when speaking to patients and coworkers

# 05

## Future Outlook

# Future Outlook

- Dual Degree Program - Combines BS and MS degree, 5 ½ - 6 years to become licensed PA
- Usually 7 years to become licensed PA

The background is white and decorated with various blue geometric shapes. There are solid blue circles of different sizes, some with concentric circles inside them. There are also circles filled with a pattern of small dots. Some circles have a thin blue outline. The shapes are scattered around the edges of the slide, framing the central text.

Thank you
